

MAINTAIN GW MODELS & SERVICES

/IWBEP/R_DST_MODEL_BUILDER

The screenshot shows a software window titled 'Change Model' with a menu bar (Program, System, Help) and a toolbar. Below the toolbar, the 'Model' section is active, displaying a 'Model Information' table. The table contains the following data:

Model Information	
Technical Model Name	ZDEMO_MDL
Model Version	1
Model Provider Class	ZCL_DEMO_MPC_CUST
Description	TechEd 2016 Demo

The 'Description' field is highlighted in yellow.
